Description

Rose Retreat is a pretty 2 bedroom gîte, located on a private, family-owned Domaine, surrounded by fields and vineyards. The lovely outside terrace areas offer privacy and comfort, as well as nice views and atmosphere.

The gîte forms part of the main house of Domaine du Pin, part of which was built in 1832 with further extensions built on over the years, making it the comfortable family-owned home that it is today.

Home to a friendly English family who have lived and worked in the area for over 20 years, they are happy to help you arrange your trips, suggest places to visit etc. Otherwise they will simply blend into the background to give you your peace and privacy.

The accommodation consists of an air-conditioned open plan room, complete with a small kitchen area, breakfast bar, a seating area, wifi, and French doors opening onto a large private terrace, where you will find a table and chairs for outdoor dining, a garden sofa for relaxing, a BBQ, a parasol and sun-loungers for those relaxing days spent reading in the sun.

The indoor seating area consists of a sofa and 2 easy chairs, a small flat screen TV with some UK/French channels, and a coffee table.

There are two bedrooms in the gîte, one with a double bed and the other is a twin. Both bedrooms have a wardrobe and air-conditioning, and windows to the rear of the property.

The bathroom is spacious and has a walk in shower, basin and bidet, separate WC and a washing machine.

Please read the many Testimonials for this property as they will give you a good idea of the property, facilities and location.

OUTSIDE

The outside space of Domaine du Pin is impressive and is where the property sees its charm. A large 8m x 4m solar heated swimming pool (enclosed by a wall and gate) is shared with the occupants of the second gite (just 2 people) and very occasionally with the owners.

The garden is very large with lawn areas, olive trees, fig, apple and pear trees, mature shrubs and

Owners super helpful. Pool lovely. Gite perfect for our needs.

Such a great holiday, lots to see and do.

Had a superb dinner in Roquebrun at Le Petit Nice, went by bus (2 euros), not realising there was no later bus back. Lovely waitress Melissa gave us a lift to next village!

Fantastic stay.

Had a super fortnight by the pool, visiting several beaches (Serignan a favourite), markets (Narbonne is brilliant), rivers - roquebrun for swimming and cocktails at 'Le Spot', boat on the Canal du Midi, villages (Montady is beautiful), wine tasting at La Baume (thank you Juliana :), and Beziers for eating and the Feria.

What a gem of a place. Will definitely recommend for such a lovely place. Juliana and Gilles are so helpful but discreet. Perfect. Merci!

Nous avons été très agréablement surpris pour notre premier séjour en France. Cette location est à moins de 20km de la plage et on y trouve des commerces à proximité. L'espace piscine est vraiment top où l'on s'y sent comme chez soi. Les chambres et la literie sont très bien et nous avons donc très bien dormi. Un tout grand merci aux propriétaires pour leur accueil et leur sympathie

"Juliana et Gilles sont adorables. Le site est juste impressionnant. La deco est très jolie. Les nombreux salons de jardin sont très agréables !

La piscine est magnifique et Gilles la nettoyait tous les matins !

Trop sympa :) Les photos côté piscine, elle est beaucoup plus belle en réalité que sur les photos. La petite terrasse est juste magnifique. C'est une plus value vraiment !

Votre site est impressionnant et nous avons tous les 4 adoré cette semaine les lieux ainsi que votre hospitalité.

Nous reviendrons !!!"

Beziers était très vivant lors de notre séjour.

Tout était parfait

Merci a tous les 2 !

Iain (June 2018) - "This property is in a great location, it's about 20 minutes to some great beaches and within an hour from great cities like Montpellier and Carcassonne (there are also plenty of really pretty villages not far away to explore as well). There are also some lovely restaurants nearby too! The place itself is a great size and it has everything you need for a comfortable stay (BBQ, washing machine, dishwasher), there was even a welcome basket for us when we arrived so there were some things to eat before we managed to go to the shops."

Location

The Domaine is located just outside the charming city of Béziers. Situated in the countryside, it benefits from a peaceful location but at the same time it is only a few minutes drive to several pretty villages with all amenities and 20 minutes to the long, sandy beaches.

Béziers itself is only a 5 minute drive away, and is a lovely city that sees many tourists every year, joining together to enjoy the wonderful architecture and cobble-stoned roads. The main square of Béziers offers stunning renovated façades displaying the beauty of old-age Béziers.

There are activities for everyone in this area, you will be spoiled for choice. Traditional markets (don't miss the Saturday one in Pezenas), restaurants, bars, walks or bike rides along the Canal du Midi, home-made rum on a river-boat bar, bike rental, laser game, nightclubs, water parks, fabulous shopping, bowling alleys, cinemas, chateaux, wine tasting, superb sandy beaches, medieval villages .. the list goes on and on.

Béziers is wonderfully located right in the middle of all of the activities that make Hérault what it is. The beaches are only 15-20 minutes away, complete with golden sand and delicious seafood.

The medieval city of Carcassonne is only an hour away, full of its cobble-stoned roads and traditional shops and restaurants, all seemingly completely untouched. A visit to the medieval castle is an absolute 'must'!

The bustling student city of Montpellier is only 45 minutes away, full to the brim of restaurants and bars and nightclubs, as well as every activity that you could possibly imagine including a fabulous aquarium, a planetarium, ice skating and go-karting.

Narbonne is a favourite amongst locals thanks to the laid-back atmosphere that the city provides you with, as well as a beautiful walk along the canal, and a mouth-watering wander around the local market.

If you're looking for something traditional and typically French, then we

recommend driving 40 minutes to Saint Chinian and its surrounding villages and towns such as Roquebrun, Assignan, Agel, Bize Minervois and Trébes are all wonderful days out in the gorgeous countryside.

A couple of our favourite places to visit are Pézenas, Saint Guilhem le Désert and Minerve, all absolutely stunning villages full of history and beautiful architecture, these small villages have a lot of character and will forever be a reminder of your time in France.

On a rural road just off the main D612 and about a 10 minute drive into the centre of Beziers.

20 minute drive to the beaches at Valras Plage.

15-20 minute drive to Narbonne.

45 minute drive to Montpellier.

1 hour drive to Carcassonne and Perpignan.

5 minute drive to the A9 junction 35.
